

Sustainability

Sustainability means looking after the planet in a way that does not harm it for future generations. It focuses on using resources such as water, energy, and land carefully, so people today can live well without preventing future people from living well too.

traffic

issues

- delays
- air pollution
- frustration

possible solutions

- congestion charging
- building new roads
- improving public transport

litter

issues

- unhygienic
- unpleasant to look at
- dangerous for animals

possible solutions

- increase waste collection
- provide more bins
- encourage recycling and reusing
