

NEYLAND COMMUNITY SCHOOL

CORE 12

Dream Big, Work Hard

1 WARM RELATIONSHIPS

We build positive, respectful relationships with everyone.

We greet pupils warmly at the door and show we care.

2 FANTASTIC WALKING

We move around school calmly, safely and respectfully.

Hands behind your back and walking on the left.

3 ENTRY ROUTINE

We enter calmly, greeted with a warm welcome.

We complete our 'Do now' and get ready to learn.

4 RETRIEVAL PRACTICE

We connect new learning to what we already know.

Our 'Do now' helps us remember and reflect.

5 ACTIVE LEARNING

We listen carefully, ask questions and take part.

We are ready, focused and challenge ourselves.

6 EYE TO EYE, KNEE TO KNEE TALK

We face our partner, make eye contact and talk with purpose.

We listen, respond and hold each other to account.

7 HIGH EXPECTATIONS

We always try our best.

We take pride in our work and presentation.

8 FEEDBACK & IMPROVE

We listen to feedback and use it to improve.

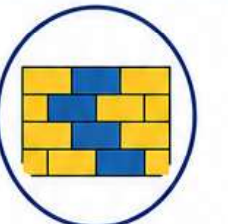

Mistakes help us learn and get better.

9 WORKING WALLS

We use our working walls to support our learning.

We refer to them, add to them and take pride in them.

10 SEQUENCE IN STEPS

We break learning down into small steps.

We practise, review and build our confidence.
