

Harbwr

Harbour: a place of shelter and safety, especially one protected from rough water

Newsletter Summer Term 2025

Welcome back to another term at Harbwr here at Neyland Community school! We all enjoyed a busy Spring Term and we have spent time getting to know one another and are looking forward to the Summer term. Our topic this term is 'Castles' we will be basing our terms work around this theme. We hope to visit and explore one of Pembrokeshire's Castles. To finish the term, we will be inviting our families to attend a garden party to celebrate our first year of learning together at Harbwr.

Daily Routine

The children have now settled into school life here at Neyland. They are increasingly confident in their learning environment, both in their classrooms and in our wonderful outdoor areas. The children respond positively to their class visual timetable and have a good understanding of our weekly events. A highlight is swimming every Tuesday and Parkour every Wednesday. In addition, we have been making regular trips out and about around Neyland, our favourite being the local playpark.

Contact

Both LRC 1 and LRC 2 use the Seesaw App to document the children's learning journey.

Please do take a look, and as always if you need to message either Mrs Cottrell or Mrs Harding, this is the best format to use.
