

Harbwr

Harbour: a place of shelter and safety, especially one protected from rough water

WE ARE SO
Proud
OF YOU

LRC2 Summer Newsletter

As the end of the year approaches, we can all be very proud of how well the children have settled into life here in the Harbwr at

Neyland Community School.

As we begin the last few weeks of our first summer term together, we would like to take this opportunity to look back on some of our high lights so far. We have experienced many exciting learning opportunities together, including our interactive sensory bucket sessions, Parkour, multi sports sessions, swimming and outdoor time exploring the local environment. We even enjoyed a visit to Carew Castle and Folly Farm.

We look forward to continuing our learning journey together next year and as always, we will try to be 'ready, safe & respectful'

If you have any questions or if I can be of help, please call the school office, or send a message via the SeeSaw App.

Cottrellj20@hwbcymru.net

We hope to conclude our term with a trip to a local beach. More details to follow.

Thank You for your Support!!
