

YEAR 5/6-DOSBARTH NEWGALE

MR DOW

TOPIC – OCEANS AND POLLUTION

JANUARY 2025

Happy New Year to you all! I hope that you are all safe and well and have hit the ground running into the new year. We have had a fun filled term where the children have impressed me with their hard work and determination whilst covering our topics on climate change and the Victorian era. This term we look forward to using our Wonder Wall to see where the children would like to take their learning on the topic of Oceans and Pollution.

If there are any questions or concerns that you may have, then please do not hesitate to contact me through my email address, which can be found at the bottom of this page.

PE: Our PE days are **Thursdays and Fridays**—Children can **wear their PE kit to school**. Children should wear a school polo top or t-shirt, black jogging bottoms/ leggings/ shorts and trainers. They may also need a jumper/jacket, depending on the weather and if we are outside.

Home Reading: We would really like the children to commit to their home reading routine in order to boost their skills during this term. Please could all children aim to read for a minimum of **10 minutes every night (however the more the better!)** Share the book together and add a comment on **BoomReader**. If there are any problems with accessing it, then let me know and I will help.

We encourage all children to bring in a healthy snack each day. We also offer our own healthy snacks in school too.

Please ensure that your children come into school with a coat as we enjoy learning outside as much as possible and at this time of year, it can get very cold. Finally, a reminder to ensure that your children bring in a water bottle with their name on it.

A final reminder that all information is sent out through ParentMail. If you are unable to access ParentMail then please do not hesitate to contact me, or the office, so that we can resolve the problem.

If you ever have any questions or concerns please
