Wow. This year has flown by so quickly. It only seems like yesterday that I was stepping into our classroom for the first time and welcoming 27 eager little faces. Now, it is time to say goodbye. As we reach the end of this exciting school year, I want to take a moment to say thank you to you all! I am so incredibly proud of each and every single one of you and what an adventure we have had! From learning about numbers to exploring different stories, every day has been filled with fun and discovery.

What a year we have had together. We have covered a range of topics from climates and habitats, natural disasters, Neyland now and then and food and farming. We met a range of animals, carved pumpkins, flipped pancakes, went to visit the Celts and had a lot of fun along the way. Every week has brought something new, and we have made memories that will last forever. Thank you for always putting a smile on my face and showing me how hardworking, resilient, kind and wonderful you all are.

As you prepare to move to your next classes, I want to wish you all the luck in the world. I am confident that you will shine brightly and continue to learn and explore. Remember to keep asking questions and being curious!

I will truly miss you all, but I know that you are ready for new adventures. Thank you for being such a brilliant class!

Finally, to all of you, Mums, Dads, Carers and families this year wouldn't have been possible without you. Thank you for the support you have given over the year. Thank you for keeping up with fast-paced school life and the many parent mails we need to send. Your support and hard work are very much appreciated.

I wish you all a summer filled with memory-making and hopefully a little down time and relaxation too. It has been such a pleasure working at Neyland Community School this year and I will always hold you all fondly in my heart as I move on to pastures new.
