

Welcome back

Summer, here we come!

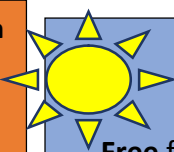

We hope you had a lovely Easter with lots of eggs – it's great to see everyone back in school and lovely to welcome some new Pufflings to the afternoon session. We are looking forward to learning about our new topic 'Castles' – more details to follow on our Curriculum Map! Now we are back, a few reminders....

jamesj521@hwbcymru.net

As the weather gets warmer, your child will need sun cream applied before they come to school and bring a named sun hat everyday as we will be outdoors. A water bottle is essential too please.

Snack time

Free fruit/ crackers/milk are available for the children or they can bring a **piece of fruit, crackers or a plain biscuit (no chocolate, crisps or nuts please)** for their daily snack in a named pot or bag. They should also bring in a **named water bottle**.

How to support at home... there are lots of resources and links to websites that we use in school on **Hwb j2e** where you will find a **Puffins** tile should you wish to support your child's and maths further. If you have any questions about accessing Hwb, please get in touch. (Reception only)

mathiask@hwbcymru.net

All Early Years children will take home a 'Reading for pleasure' story book to share with their grown-ups every Tuesday which will be logged on their 'Go Read' account. Please remember to check and add your own comments about reading at home.

PE sessions are on **Monday for Reception, Tuesday for AM/Full time Nursery and Thursday for afternoon Nursery**. The children can wear trainers, joggers/ leggings and their school t-shirts and jumpers on these days. All school jumpers, coats and bags should be **clearly named** to ensure no mix ups occur!

An important reminder about illness – it is essential that if your child has any sickness and/or diarrhoea, that they remain at home for 48 hours. This still needs to remain the case even if they are well in themselves.

Just one more thing... we are using '**See-Saw**', an online journal, to record the children's learning and activities in the Early Years classes. Remember to check often to see what activities your child engages in while at school! A polite reminder that staff do not monitor See-Saw for messages and it is not used as a communication tool; messages in relation to attendance need to be reported via ParentMail and any queries are to go through the main office.
