

RAMSEY NEWSLETTER

Summer 25 | World War 2

This term...

Hello, we look forward to welcoming dosbarth Ramsey back for the summer term. With the weather improving please ensure pupils have a water bottle to stay hydrated and sun cream when necessary.

I hope you are pleased with the reports that went home, we have done some amazing learning already this year and they should be proud of what they have achieved! This term our topic is WW2, if you have any stories or artefacts passed down in your families please get in touch, we would love to hear all about it. You can follow our learning journey on this topic through the seesaw app. As always, if you have any questions please do not hesitate to get in touch!

Miss M Hughes

Reminders

- Please remember to log all reading on the Boomreader app.
- Water bottles to be bought in daily and a healthy snack (school snacks are also available).
