July 2025

Half term topic - World War 2

Well, the past 9 months has absolutely flown by! Thank you so much for making it an unforgettable year for me and the rest of the staff here at Neyland Community School.

We have accomplished and experienced so much, starting with our fantastic residential in September! All of that paddleboarding and surfing, we certainly started as we meant to go on. You have engaged so well with our range of Humanities topics, from Climate Change and Oceans to Black History and WW2. Every week has brought something new, and we have made memories that will last forever. I am so proud of each and every one of you. Keep showing the world what you're made of and reach for the stars.

Also, thank you families for all of the support you have shown your young people, myself and the school this year - we couldn't have done it without you! I wish you all a lovely summer filled with making memories and down time with loved ones. We will be seeing you again in September before you know it!

And finally - to the Year 6 children of Dosbarth Ramsey 24/25... I am so grateful to have worked with you this year before you move on to bigger things, thank you from the bottom of my heart for making me smile and laugh, and for working so hard at everything we've thrown at you. I wish you (and your families) all the best for September, please just keep being your amazing selves and **WORK HARD, DREAM BIG!** You're capable of greatness, as long as you believe in yourself.
