Summer Term Newsletter: 1

Sun Safety!

The weather has been warming up and the children are spending more time outside. Please can we remind you to ensure your child/ren are suitably dressed and have sun cream on before they arrive to school and/or bring some into school so they can reapply this themselves if needed.

Please can they also bring in sun hats and water bottles to keep them hydrated. We have school baseball hats and also bucket hats available in school for £3.00. You can get these by popping into the school office and someone will be able to help you.

Dear Parents/Carers

Welcome back to our final term of this academic year! The Summer Term is always full of so much fun, with (hopefully) the sunshine joining us too! We have been lucky to have some warm days already!

The Spring Term was very busy and before Easter we raised lots of money for the school so a big thank you to the Fundraising Team for organising these for us and also for everyone's support;

Easter Bingo:	£694.47
Easter Cake Sale:	£159.35
Easter Raffle:	£813.77

We are starting to plan our summer term fundraising events and will be meeting, this week, on Wednesday at 7.00pm, at school. Please come along and support us if you can – the more help we have, the easier it is to put on these additional events.

We have started the Summer Term off with our Sparkly Starters for our themes this term. You will receive more detailed information over the next few weeks about how this will look in your child's class and what they will be learning this term! If you have any knowledge or know anyone that would like to come in to school and share their knowledge related to our themes, then please let us know.

Thank you for your ongoing support in all we do.

September 2025

I know this feels like it is a way off yet, but we are already starting to think about class organisation for the new academic year.

Our official transfer day will be on Friday 27th June when children will get the opportunity to spend time in their new class with their teacher. However, as like last year, we are also planning on some additional sessions to support the children and prepare them for September.

As you can imagine, setting the new classes takes a great deal of time as we have to think about a number of factors, such as friendships, age, gender, individual pupil needs etc. If you have any questions or would like to discuss this then please email either myself or your child's class teacher by **Friday 9th May.**

of seasons,
summer weaves
the threads of

adventure."
