Spring Term Newsletter: 3

Dear Parents/Carers

We have had a fantastic start back to the half term, with lots going on already! We had fun on World Book Day and our older children have enjoyed taking part in some rugby festivals with local schools. We started the term off with our own Eisteddfod – fantastic Welsh outfits as we celebrated the Welsh culture together, da iawn!

Staff have been busy writing school reports. As you know, we send our school reports out mid-term so you have an opportunity to discuss your child's areas of strength and those for development while we still have a term of learning ahead of us. Reports will be sent home on **Monday 31st March**. You will have an opportunity to send in a response to the report, via ParentMail and not on paper. This will help inform your discussion at our Parent/Carer consultations. This will be sent out on the Monday, and you will also be able to sign up for your consultation appointment at this time too (see dates/times below).

As always, thank you for your ongoing support in all we do.

Mrs Hewitt ☺

Walking Bus

Don't forget we have the Walking Bus to help you throughout the year, so if you would like your child to join us to 'walk and talk' then please just let us know – the more the merrier! We also have some of our super prefects to help with this too ☺

We currently only have one route in place;

8.15am from the bottom of Gordon Parry Road.

We can pick up/drop off 'enroute' so do let us know if you think we can help!

Walking is good for the soul!

And finally

- Non-uniform day to support our Easter Raffle and Easter Bingo. We are asking for the children to come to school on Wednesday 2nd April, in non-uniform for an Easter Egg donation, chocolate or a raffle prize for the bingo. The children are welcome to wear an Easter themed outfit if they would like to! Thank you.
- Emergency Weather Procedures: As always, this time of year, it is useful to share our bad weather procedures with you. If we have to make the difficult decision of closing the school due to bad weather, then this will be communicated to you through ParentMail, on our school Facebook page and you can also find a list of schools that are closed on the PCC website; <https://www.pembrokeshire.gov.uk/school-closures>
As always, we do consider very carefully if we have to close the school and consult with the Chair of Governors before this decision is made. We aim to make a decision as soon as practicably possible.
- Parking: There have been some complaints regarding parking, along the lane at the back of John Street. This is a private lane and should not be used for parking at the start/end of the school day. This has blocked in residents and caused some upset. It is really important that we consider the children and ensure the school site is safe from cars and also conflict between people. Please park respectfully in the appropriate places at all times. Don't forget, we have the Walking Bus in place so please use this rather than driving if you can. The High Street bus is currently not in place, so if anyone else has any thoughts on a new route we could put in place, please let us know.
- Please can I also remind you that the area outside the school with the bollards is left clear for the taxi's that arrive with our LRC pupils. It is important that they can safely get to the main entrance safely and this is the best place for them to be met by staff and walked in. Thank you.
