

# Gair y Gwylan

Spring  
Term  
2021  
Issue 1

Croeso I Blwyddyn newydd. A happy new year to you all! So, the children haven't had the return to school as planned after the Christmas break but it has been great to see the children full of enthusiasm and embracing the online learning. Da iawn Dosbarth Gwylan!

We are looking forward to launching the new theme..... I wonder where this term will take us?

## Mindfulness

**Take 5 – Remember its really important to take time to relax.**

A daily walk to get some fresh air is a great way to take time out. If not going for a walk, then why not read a book or do some mindful colouring. Keep your eyes peeled for some 'Mindful Moments' on our class stream

## Our Learning Theme

This will look a little different to how it would look in class but this is an exciting time to explore new things.

Google Classroom is the place to visit daily. You will find all of the information you need for the week ahead. I will post messages daily and share timetables of when we will

'Go Live'!!

## Reading At Home

We are encouraging the children to read every day at home. This is a great opportunity to take 5 and enjoy some quiet time.

You can read anything at all.... Books, Magazines, Poems. Why not pop on to Oxford Owls or The Book Trust website ..... There are great audio books to enjoy and they are all free resources.

## A Few Tips and Reminders.....

Be adventurous, take risks, explore new things .....

You don't know what you will enjoy unless you have a go.

Go outdoors daily if you can and enjoy learning with your families.

Pop online when you can and enjoy Live Sessions as well as challenges set on Google Classrooms.

Don't forget the daily story time. All you will need is a quiet, comfortable space and then sit back and enjoy your teacher reading to you.

Most importantly smile and have fun!! This is part of our journey together.
