

## Dear Kittiwake Class,

As we come to the end of another school year, I just wanted to say how incredibly proud I am of every single one of you. Although I have only had the pleasure of teaching you since January, I have seen so much growth in each of you. You have become more confident, resilient, and willing to challenge yourselves every day. Watching you learn, laugh, and support one another has been a real privilege.

This year, you have embraced our new PKC Cymru curriculum with enthusiasm and determination. Trying something new isn't always easy, but you have tackled every challenge with positive attitudes, curiosity, and perseverance. You should all be incredibly proud of everything you have achieved.

Thank you for making every day so enjoyable. Your kindness, humour, and enthusiasm have made Kittiwake Class a wonderful place to be. I hope you all have a fantastic summer holiday filled with fun, adventures, and plenty of time to relax.

I can't wait to see all of your lovely smiles again in September as you begin your exciting journey in Years 5 and 6. I know you will continue to work hard, believe in yourselves, and achieve amazing things. Keep being kind, keep being curious, and always remember how capable you are.

Have a wonderful summer!

With best wishes,

Miss Ehrenfellner
