Croeso I Blwyddyn 1 - Dosbarth Seren. We have been so proud with the way that all of the children have settled into their new routines. During the first week we have been enjoying our calm environment and really focusing on our new curriculum. The children have been working so hard and approaching their learning with great enthusiasm. They have enjoyed a more structured approach to their learning and have shown resilience and maturity when dealing with such a big change.

A few reminders...

PE is on a Tuesday and a Wednesday. The children will need to come into school wearing their PE kit. Where possible, this should be black joggers/ leggings and school polo shirt (yellow/blue) and school jumper. They will also need to wear trainers.

Water Bottles – All children are encouraged to bring water to school in a clearly labelled bottle.

Snack – All children are encouraged to eat a healthy snack in school. This could include fruit, crackers, rice cakes or a plain biscuit. We provide free snacks but if you want to send a snack in, then that is also not a problem.

*Please make sure all children bring a coat to school.... we know how unpredictable the Pembrokeshire weather can be! * Lastly, all belongings need to be clearly labelled please.

Reading at home

We are encouraging the children to read every day at home. Please can children bring their reading folder to school every Thursday so that we can change their books ready for Friday.

Morning Routine

Thank you for your support in helping the children arrive at school in a calm manner. With the help and support of you all, mornings are running smoothly and everyone is able to enjoy a calm start to the day. Children have enjoyed spending time reading and looking at a wide range of books, as well as practicing their letter and number formation.
