Support

Please don't forget that there are a number of ways in which you can be supported in school.

Although we offer free school dinners, to all pupils, from Reception – Year Six, you are able to claim for eFSM funding, if you meet the given criteria, which can support the payment of other activities, such as trips and visits as well as a uniform grant;

We also can refer and offer support if your child is a Young Carer which will also open up opportunities to take part in a range of activities. See the attached flyer or our website for further details;

Dear Parents/Carers

We have had a fantastic few weeks back in school – getting into routine, being busy and trying our best in all we do. The children have made us very proud, with how they have settled into class, the wearing of uniform and embracing our new expectations and routines.

We had an amazing time with our Year 5/6 pupils on our residential in Cardiff. So much fun and lots of new experiences. We even had another school comment on how well our children conducted themselves and did their 'fantastic walking' around the Urdd Centre. The children were excellent ambassadors for the school and made us very proud.

Please don't forget that we have an INSET day on Friday 3rd October and school will be closed to all pupils. We are very excited to be taking the teaching staff to London to see the Primary Knowledge Curriculum in action in The West London Free School. This will be a fantastic opportunity to see it in action and learn from others to develop our teaching and pedagogy.

Don't forget that we will have our first set of Parent Consultations on Tuesday 21st October from 5.00pm – 7.00pm and Wednesday 22nd October 3.45pm – 6.00pm. You will be able to sign up for these, using School Cloud from **Monday 13th October (details to follow).**

As always, thank you for all your help and support
