Tuesday 24<sup>th</sup> March: Parent Consultations 5.00pm – 7.00pm

Wednesday 24<sup>th</sup> March: Parent Consultations 3.45pm – 6.00pm

Dear Parents/Carers

As always, time in school seems to fly past and we are almost at half term – already!

The children have had a fantastic half term and have been immersed in their learning through the Primary Knowledge Curriculum. We have undertaken several Learning Walks, looked at books and spoken with children and have been very impressed with the progress they are making. This has been completed alongside Governors and the Local Authority.

We are also working alongside a number of other schools in Pembrokeshire, where we have been sharing our progress and learning from others too. As a school, we have also spent time visiting other schools outside of Pembrokeshire, in Cardiff and as far as London. We continue to aim high for our pupils in Pembrokeshire and are making sure that we are giving them the very best education and outcomes in line with other pupils locally and nationally. In the summer term, we hope to set up an information session in school so we can share with you the progress we have made and what this looks like, day to day, in school. More information will come out soon.

Please do come and see me or your child's class teacher if you have any questions – we are always here to help!

Thank you for your ongoing support in all we do.

Mrs Hewitt ☺

## And finally .....

- We had a really productive Fundraising Meeting and the following dates and events have been planned for the year ahead (so far!):
  - ⇒ Thursday 5<sup>th</sup> March: Spring Cake Sale
  - ⇒ Friday 20<sup>th</sup> March: Non-uniform for Easter Egg donations for the infamous raffle!
  - ⇒ Week beginning Monday 23<sup>rd</sup> March: Easter Raffle tickets on sale
  - ⇒ Friday 27<sup>th</sup> March: Easter Raffle!
  - ⇒ Thursday 14<sup>th</sup> May: Summer Discos
  - ⇒ Monday 8<sup>th</sup> June: Colour Run and Fun Evening
- **Trim Trail:** With huge thanks to our very committed fundraising team, we raised the money for our new trim trail far quicker than expected! You may have seen the work being carried out! Our old trim trail was falling apart and needed lots of ongoing repair to ensure it met the health & safety standards for play equipment. The new trim trail will also have a flooring to enable pupils to use it all year round. Thank you so much to the committee and also to you all for supporting our events. This fabulous team work means we can continue to develop our school community at a time when funding is very stretched. Thank you all – what a great team!
- **School Uniform:** We have all been so impressed with the children and how smart they look, in their uniform every day from Monday – Friday. We continue to have high expectations of our children here and we promote the wearing of uniform. We always aim to keep the cost of uniform down, so it is affordable and stock both logo and non-logo uniform in school. We have now ordered some school logo/badge transfers, that can be ironed on to non-logo uniform. I have had a go with them and they work well – as long as you leave them to cool completely before removing them after you have ironed them on. If you remove them too soon, the badge comes away. This is an excellent, and cheaper way, to add the school badge to our non-logo uniform. **If you would like to purchase these, they are available on ParentMail at a cost of £9.00 for a pack of 6 transfers or are available from Reception.**

## Walking Bus

Dark, wet and windy mornings and afternoons? The weather always seems to be against us at drop off and pick up times!

Don't forget we have the Walking Bus to help you, throughout the year, so if you would like your child to join us to 'walk and talk' then please just let us know – the more the merrier! We also have some of our super prefects to help with this too 😊

We have two routes;

8.15am from the bottom of Gordon Parry Road.

8.15am from the bus stop (opposite the Co-op).

We can pick up/drop off 'enroute' so do let us know if you think we can help!
